

PROJECT UPGRADES

FIREPLACES. FIRE PITS. OUTDOOR KITCHENS.

PROJECT UPGRADES

FIREPLACES. FIRE PITS. OUTDOOR KITCHENS.

PROJECT UPGRADES

Turn your backyard into a true outdoor living space with the addition of any of our many project upgrades. Dine alfresco in an outdoor kitchen complete with pizza oven, or roast marshmallows fireside with an outdoor fireplace or fire pit. Our Stonegate and Munich wall block collections are the perfect building blocks to provide the inspiration to create your very own outdoor haven. Any of these additions can be installed during the initial phase of patio construction or as a later upgrade.
